Award winning Sanwick Remodeling Contractors is a "Design/Build" company that takes pride in each customer's complete satisfaction with the finished project. Through their tried and proven method of craftsmen and interior designers working closely with the customer, they develop the best design for each project and budget. Then their skilled craftsmen bring the plan to completion on time and on budget.

Sanwick Remodeling Contractors' expertise, reliability, and high ethics are company standards their customers trust.

"Most efficient crew we've ever worked with. Polite and pleasant to be around."

Don & Joan Cimpl

ORIGINAL & UNIQUE

DRAMATIC

Todd Sanwick, President, directs on-site activities, while his wife Lisa, Vice President, is responsible for office management and accounting. Their company motto of "Making Your Dreams Come True" has proven realistic for literally dozens of satisfied homeowners in the greater Omaha area. Todd and Lisa, together with their team of professionals, make up one of the highest regarded, award winning remodeling companies in Omaha.

MISSION STATEMENT

Sanwick Remodeling Contractors is committed to serving customers with professionalism at a reasonable cost using the highest quality materials through qualified and experienced people.
